Designs, Indian Patent Office, Kolkata**

Invitation

We take the proud privilege to invite your gracious presence at Bankura Sammilani College on 7th September, 2019 on the occasion of 'One Day National Level Seminar on Intellectual Property Rights' organized by IQAC, Bankura Sammilani College.

Objective and scope of the Seminar

Objective of this program is to take forward the National IPR Policy and to enhance creativity, innovation, competitiveness and economic growth in the country. With the growth of the Indian Economy it is vital that IPRs are generated in India and then legally protected and exploited. Inadequate knowledge about the rights of individuals to protect their ideas and innovations and low awareness about the procedures involved in obtaining an IPR has hindered India's growth in Intellectual Property. With India's potential and its importance in the global arena, it's time we rise and become a leader in innovation and Intellectual Property!
