## NOTICE

All the students of **Sixth Semester Mathematics Honours** are hereby notified that the **Project Examination** for **DSE IV** paper of End semester examination, 2022 will be conducted from 05/07/2022 to 07/07/2022 in the Departmental Laboratory, Department of Mathematics of this college. The detailed evaluation process will be executed in the following ways:

- |   |          |
|---|----------|
| 1. Project Evaluation (Softcopy and Hardcopy) | 15 marks |
| 2. Project Presentation (Verbally)            | 15 marks |
| 3. Viva-Voce                                  | 10 marks |

Students are also instructed to select any one topic not included in the present honours syllabi and prepare a project. Soft copy (in pdf form) of the same must be submitted through the e-mail id [projectmathsammilani@gmail.com](mailto:projectmathsammilani@gmail.com) within **03.07.2022**. Student must prepare the project by any **Word Processing Software** or **LATEX** or by hand written on A4 size paper format. Copying line by line from any book is not permissible. Each student **MUST WRITE** the following **ESSENTIAL** things in the title page (first page) of their Project:

1. Name of the Student:
2. UID:
3. Semester:
4. Course Title:
5. Topic:

Note: Detail exam schedule will be notified later.
