ESTD. - 1948

(NAAC ACCREDITED B+)

Ref. No.

Dated the

From : **Principal**

Notice

It is being found that many students of UG 3rd and 5th semesters are not attending their classes regularly, in spite of 75% attendance notification to them.

They are again being instructed to be careful about the 75% attendance in the classes.

They are also informed that the scholarship forms **will not be signed** for those students who'll have **less than 75%** attendance in the classes.
